## WHAT IS THE OWN MY LIFE COURSE?

An innovative, creative, educational 12-week course for women, that can be run online or in person.

The course enables women to regain ownership of their lives after they have been in a relationship with someone who has hurt them. As part of a local service, the course facilitator will provide a caring, supportive and safe space for women to meet together and do the course (either in person or online).

It is really interactive with lots of short videos, quizzes and discussions. Each woman receives the Own My Story journal which has all the ideas, key concepts and content from the course with space for reflection and notes.

## WHY IS THE COURSE NEEDED?

Lots of women are hurt badly in relationships. This impacts them and children dramatically and in long-lasting ways. The Own My Life Course helps women to make sense of what has been done to them and gives them skills to move forward. The course helps women to discover what their strengths are and how they can move forward with their lives.

**You've got all these people  
who think you're silly for going  
back or staying with him  
and this course helps you  
to know why and know  
that you're normal**

## WHO CAN ATTEND THE OWN MY LIFE COURSE?

Women who are dealing with a:

- > Difficult relationship
- > Nightmare ex-partner
- > Horrible break up
- > Controlling partner or ex

*To attend an online course, women must have separated (and living separately from) the partner who hurt them.*

## MARJORIE

Marjorie is trying to make sense of her relationship. Her partner Jerome makes her feel small and stupid, he mocks her and humiliates her.

At first the relationship was amazing, Jerome couldn't do enough for her, it was a whirlwind romance, he moved in within weeks. He keeps telling her they should have a baby to make the relationship better, but then he spends all their money and doesn't like Marjorie talking to her mum or going out with her friends.

## SYLVIA

Sylva's ex, Horatio, is a nightmare. He constantly changes the arrangements of when he's going to have the kids and when they come back from seeing him they're really difficult to manage. Horatio switches between sending Sylvia threatening messages and ringing her up crying and begging her to take him back.

When they were together he cheated on her with her best friend and made her do sexual stuff she didn't like. Sylvia doesn't have any friends anymore, she feels anxious all the time.

## VIVIENNE

Vivienne feels stupid. Her husband Gordon treats her really badly, but every time she tries to leave him, she ends up going back. Even though he's hurt her really badly, she finds herself apologising to him. He twists her words, scares her and uses the kids to make her do what he wants. Vivienne's family have given up on her, she feels like she can't live without him. She keeps asking herself. "What is wrong with me?!"

**The Own My Life course may be able to help  
Marjorie, Sylvia and Vivienne make sense  
of what's going on for them**
